Guidelines for Addressing the School Board

Although it is requested that prior notification be given to the Superintendent by individuals wishing to address the Board, public comments are welcomed during the Communications section of the Board's agenda if these guidelines are followed:

1. Stand and state your name.
2. Address your comments to the Board as a whole.
3. Be brief, state your position and provide facts.
4. Provide written statements and/or supporting materials to the Clerk for distribution to the Board and the Superintendent.
5. Debate is prohibited.

The Board will try to hear everyone who wishes to speak on a subject, but sometimes discussion may need to be limited due to time constraints. If you represent a group, you may wish to identify other members of your group who are in attendance. Meetings of the Board are formal proceedings and are recorded on audio tape. (See policy BDDH)
