SUBJECT: Renewal Applications for School Year 2024-2025

DATE: February 1, 2024

It is a pleasure to work with you and your student(s) in the Lexington City Schools, and we are already making plans for the 2024-2025 school year. Attached to this email is the **Renewal Application** for 2024-2025. You will need to print an application for each child returning to Lexington City Schools next year. Please complete and return the application(s) with the required non-refundable \$400 application fee to the school where your child will be enrolled for the 2024-2025 school year **by Friday, March 29, 2024**. Tuition for the current school year must be paid in full before new renewal applications will be accepted.

Annual tuition for the 2024-2025 school year will be \$1200 per student with a non-refundable application fee of \$400 per family. Applications will be reviewed and considered for approval on an individual, first come, first serve basis. Application approval is at the sole discretion of the Lexington City School Board, and space availability in grade level classes is a key consideration for non-resident approval.

Renewal applications will be acted on at the May School Board meeting. Any applications received after this date will be considered in the order received and preference will be given to siblings of renewal applicants.

A first tuition installment of \$600 will be due **by August 1, 2024** in order for your student to be enrolled to start school. A second tuition installment of \$600 will be due **by January 6, 2025**.

Should you have any questions, please call the School Board Office to speak with Stephanie Burch, tuition coordinator, at 540-463-7146. Thank you, and we look forward to working with you and your child(ren) in the next school year.
